For the Holidays, Discovery Place Nature is collecting items for Project HALO, a local animal shelter and foster home.

What is Project HALO?

Project HALO rescues homeless, stray and unwanted dogs and gives them a safe and loving foster home along with any medical attention they may need while looking for permanent loving homes to adopt them. We also provide a home for those animals that are deemed unadoptable so they may live out the rest of their lives in a loving, caring atmosphere.

*ALL DONATIONS WILL BE DELIVERED TO PROJECT HALO AFTER THE HOLIDAYS

<u>Project HALO's Wish List</u>
